ALL MONTH

**WINTER WONDERLAND SKATING RINK** Ever walked across a slippery floor in socks and done some unintentional skating? Come do it on purpose with us! Remember to bring your socks (or be prepared to buy some of the fun ones available in Ruthie's).

**THANK YOU TO  
OUR JANUARY  
PROGRAMMING  
SPONSOR**

THURSDAY  
1/11, 4 - 10 PM

**TEXAS ROADHOUSE DINE & DONATE** Enjoy a meal (or even snacks) at Texas Roadhouse in Stillwater (2000 N. Perkins Rd.) between 4 and 10 p.m. and tell the server that you're there for the fundraising night for the WONDERTorium! Texas Roadhouse will donate 10% of your total food purchases to the fundraiser. It's the easiest way to fill your belly and your heart at the same time!

MONDAY, 1/15  
10 AM - 5 PM

**MLK DAY \$1 ADMISSION DAY & FOOD DRIVE** Come and celebrate Martin Luther King (MLK) Day with us and enjoy \$1 admission! As a part of our special day, we are also hosting a food drive to benefit Stillwater's "Weekend Food Sacks for Children" program. Items that are needed include: Snack pack cups of applesauce/fruit, 1 oz. Dry cereal boxes/cups, Individually wrapped packages of crackers and cookies, Juice boxes, 1.5 oz. Dried fruit boxes (raisins), Individually wrapped packages of Rice Krispie treats/breakfast bars, Pudding cups, and Single serving pasta (~7 oz. Can). Thank you to Elite Repeat for making this reduced admission day possible!

TUESDAYS  
10:30 - 11 AM

**TOT TIME** Enjoy quality time with your little one as we sing songs, read stories, and interact with movement in the Little WONDERS Exhibit. Tot time is a great way to bond with your child since interacting with your child one-on-one encourages development of language skills and muscle control. Interacting with others also aids in building social skills along with emotional skills for your child. Please join us at the start time for the best learning experience. Recommended age is 0-24 months. Program included in price of museum admission or membership.

1/02 NO TOT TIME  
1/09 **The Very Busy Spider**  
1/16 **Bee Gets a Sweater**  
1/23 **Polar Bear Polar Bear**  
1/30 **Kiss Kiss Good Night**

TUESDAYS  
11 - 11:30 AM

**STORY TIME** Enjoy an interactive experience as literacy comes to life through books, music, and movement. Story Time is a great way to have fun with your child while also encouraging the development of skills. Story Time is designed for all ages from the young to the young at heart. Please join us at the start time for the best learning experience. Program included in price of museum admission or membership.

1/02 NO STORY TIME  
1/09 **The Mitten**  
1/16 **The Jacket I Wear in the Snow**  
1/23 **Snowy Day**  
1/30 **There Was an Old Lady That Swallowed Some Snow**

TUESDAYS  
3 - 4:45 PM

**WRITE ON!** Our friends from the OSU Writing Program will be at the museum with fun writing activities for all ages. Don't miss this after-school opportunity to play to learn! We also welcome writers of all ages to bring their in-progress works to "Write On!" to review with OSU writing students. Recommended age: 3 years and up. Program included in price of museum admission or membership. \*This is a drop-in activity.

WEDNESDAYS  
& FRIDAYS  
3:15-4:45 PM

**EXPLORATION STATION** Join us as we explore creativity with this month's theme. Program included in price of museum admission or membership. \*All of these are drop-in activities.

1/03 & 1/05 **Levitating Ice:** Have you ever picked up an ice cube from a glass using a piece of string and salt?! This simple science experiment is sure to amaze your students and their friends.  
1/10 & 1/12 **Molecules:** What happens to molecules when they start to get warm? Find out as we experiment with ice water, room temperature water, and hot water.  
1/17 & 1/19 **Fake Snow:** Let's make some fake snow. Does it feel like snow? Is it cold? What happens to the crystals when you add water? These are only a few of the questions that we would like to answer.  
1/24 & 1/26 **Rainbow Ice:** What happens to ice when you add food coloring and salt water? Let's make rainbow ice!  
1/31 **Dry Ice:** Join us as we discover what happens to bubbles when we add dry ice.

THURSDAYS  
3:15 - 4:45 PM

**SCIENCE SLEUTHS** Future engineers, scientists, and inventors: join us for experiments and activities that identify with exploration, creativity, and natural inquisitiveness. Program included in price of museum admission or membership. \*All of these are drop-in activities.

1/04 NO SCIENCE SLEUTHS  
1/11 **Stay Warm:** How do arctic animals stay warm in icy water? Join us as we experiment with ice water, gloves, and vegetable shortening.  
1/18 **Thermometers:** Have you ever wondered how thermometers work? Join us in making a thermometer.  
1/25 **Dry Ice:** Join us as we discover what happens to bubbles when we add dry ice.

SATURDAY  
1/20 & 1/27  
1 - 4 PM

**WINTER WONDERLAND** Join us for experiments and creative exploration. Program included in price of museum admission or membership. \*All of these are drop-in activities.

1/20 **Stay Warm:** How do arctic animals stay warm in icy water? Join us as we experiment with ice water, gloves, and vegetable shortening.  
1/27 **Yummy Ice:** Let's make some ice cream!
